our signature gala
Friday, May 3, 2019
6 pm | Hilton Portland Downtown

Support the empowerment of survivors and celebrate the work of Bradley Angle and each other in glamorous style by sponsoring GlamHer: Under the Sea.

Our theme pays tribute to the stunning colors and fluid, ethereal elements of water and the animals and fauna of the sea. Guests typically dress in their finest and many choose to incorporate a nod to the event theme in their wardrobe choices. This signature gala happening on Friday, May 3, at 6:00 pm in The Hilton Portland Downtown is an evening of elegance, entertainment, and engagement!

About GlamHer

GlamHer is Bradley Angle's signature gala and is not your usual gala: This stylish affair offers guests the opportunity to enjoy interactive entertainment by Emcee Poison Waters and other notable drag queens. Dine on delicious food and wine, participate in special appeal, and bid in live and silent auctions. Did we mention our 'bid frenzy' and how the evening ends with a dance party? And most importantly, the event also features a compelling account from survivors of how support from Bradley Angle changed, and in many cases, saved their lives. Event net proceeds support the adults, youth, and children served by Bradley Angle.

About Our Guests (and Bradley Angle supporters)

As a sponsor, you and your guests will join 400 guests including individual and corporate supporters as well as elected officials and other friends of Bradley Angle. Tickets will go quickly for the 2019 event. The Benefits section of this Prospectus includes information about sponsorship levels and our social media presence.

Beyond the event itself, you will be reaching a larger community of thousands of Bradley Angle Supporters that connect with our work via a robust social media presence (Facebook, Twitter, and Instagram) and through other formats.

The Cause

Bradley Angle supports survivors in achieving safety, empowerment, healing, and hope. Established in 1975, we were the first domestic violence shelter on the West Coast. Last year, more than 1,100 adults, teens, and youth received support through our emergency shelters (Bonnie Tinker House and Tami Best Shelter), housing assistance, economic empowerment including financial education, youth and family support services including healthy relationships classes, and more. Bradley Angle also offers culturally specific and responsive services through our LGBTQ and Healing Roots programs. We are dedicated to building communities free from domestic violence and oppression, where loving, compassionate and equitable relationships exist for all people. Visit <https://bradleyangle.org/> to learn more about our work!

The Impact

Your generous sponsorship makes our GlamHer signature fundraising event possible and helps ensure that event net proceeds support Bradley Angle's programs that help empower survivors escaping domestic violence to rebuild safe and prosperous lives.
